The 3<sup>rd</sup> game will be played to 15 points with a 17 point cap. Teams must win each game by 2 points. If the 17 or 27 point cap rule comes into effect, you do not have to win by two points. If a third game is NOT necessary it will not be played. **EXCEPTION: The 7<sup>th</sup> and 8<sup>th</sup> grade division tournament matches will be played best 2 out of 3 games. The 3<sup>rd</sup> game of all championship games will be played rally score to 25 points with no point cap.**
2. All players that suit for a game MUST play in the game. Failure to comply will result in a forfeit of the game and a 3 game suspension of the head coach. If the infraction occurs at the end of the season, the suspension will be carried forward to the next volleyball season.
3. Each team is allowed two (2), 60-second time outs per game.
4. Players may substitute for the same player only. 18 substitutions per team per game are allowed. A 19<sup>th</sup> substitution results in a point for the other team. Teams with 12 or more players may substitute in groups of 3 per slot. For example, player A starts the game and player B subs for A, then player C may sub for B and either A or B may sub for C. In any case, substitutions are to be conducted in the following manner: The coach signals the official verbally while using the proper hand signal. The official will then recognize the coach and allow the substitution. The changing players will then go to the sideline between the net and the 10 foot line. The incoming players should stand outside the court and the outgoing players should stand inside the court until the official and score keeper have recorded the change. When the official beckons, the players may then leave or enter the court. The incoming player must play in the outgoing player's position in the rotation.
5. Foot faults will be called at the 7<sup>th</sup>/8<sup>th</sup>-grade level from the regular service line. The 5<sup>th</sup>/6<sup>th</sup>-grade level will be allowed to move up to a closer serving line, located and marked 5 feet closer from the regular service line and extending 10 feet over from the right sideline. If a player chooses to serve from the closer line, foot faults will be called from that line. Also, any player who chooses to serve from the closer line may not serve overhand.
6. A ball that hits the ceiling and falls on the opponent's side will result in a side out and point. If the ball falls on your side, it is considered in play, provided that you have not used up your 3 hits.
7. Players may not touch the net or cross the plane of the net while the ball is in play.

8. The league will play the basic 6 player, three hit volleyball. Back row players may not jump to spike a ball in front of the 10-foot line. Let serves will be allowed in the 7<sup>th</sup> and 8<sup>th</sup> grade divisions ONLY.
9. **SERVING:** All forms of a legal hit or pass can be used to return a serve. However, a serve cannot be blocked or attacked. **LET SERVES** are allowed in the 7<sup>th</sup> and 8<sup>th</sup> grade divisions only.
10. The Libero will not be used.
11. Double hits are allowed on all **FIRST** hits each time the ball crosses the net during a point.

T-shirts may be worn under the team jersey provided they are the same color as the predominate color of the jersey. All t-shirts must have a finished edge... no cutoffs. **NO VISIBLE MARKINGS ARE ALLOWED ON THE T-SHIRTS.** Jerseys must be tucked in at all times with the exception of those that are manufactured to be worn outside the shorts.
